

## SUPPORTING FAMILIES TO BUILD A BRIGHTER FUTURE!

Hopelink's Family Development Program helps families achieve greater stability and self-sufficiency. Partner with a case manager to create a personalized goal plan, focusing on the strengths and potential of your family. Goals can center around increasing income, education, legal issues, health resources, parenting, and more. Every family is different! While FDP is not a housing or financial assistance program, your case manager can help you navigate the housing system and connect you to resources.
