Pat Sadate-Ngatchou

The Circle provides a safe space where individuals and families come together to **learn**, **celebrate**, and **contribute** to their communities:

- **Welcome** and assist individuals and families in settling into their homes, schools and communities.
- **Provide** education tools so that they can become active and empowered members of their community.
- **Build** relationships among city, community and school district partners, helping to create awareness, knowledge, and respect across cultures and communities.

Community Navigation

We connect individuals and families to existing and new services to help them navigate their communities. And we make sure families feel welcome and integrated in the community through the resources and services provided by The Circle.

- Every week, we meet with families who have arrived in the community, and who need resources to help them get established and settled.
- We also help families who might not be new to the community but require settlement assistance; such as support for rent, counseling, medical insurance, tax preparation, legal consultation, domestic violence or senior assistance.

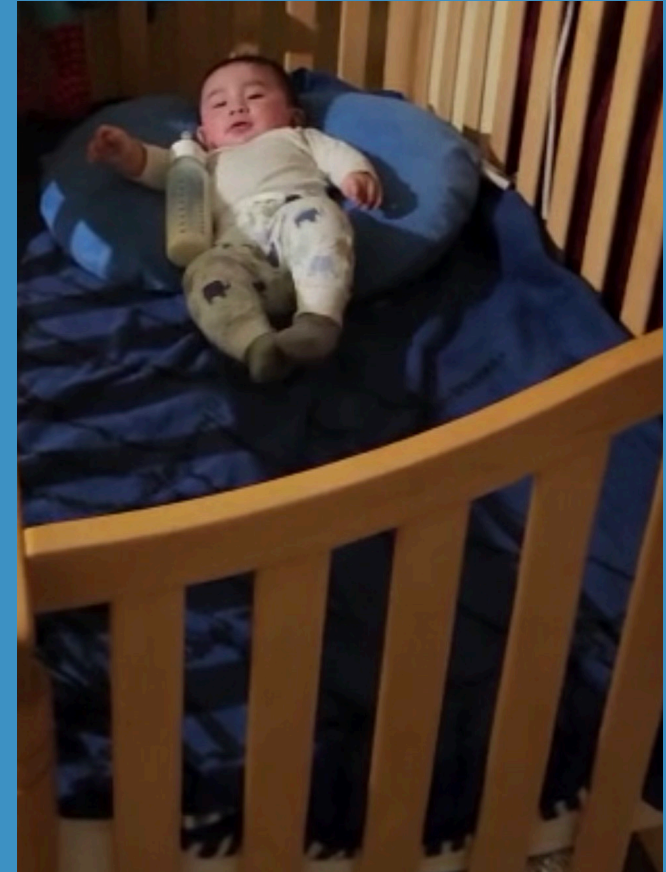

NEEDS

3 Ways to Help

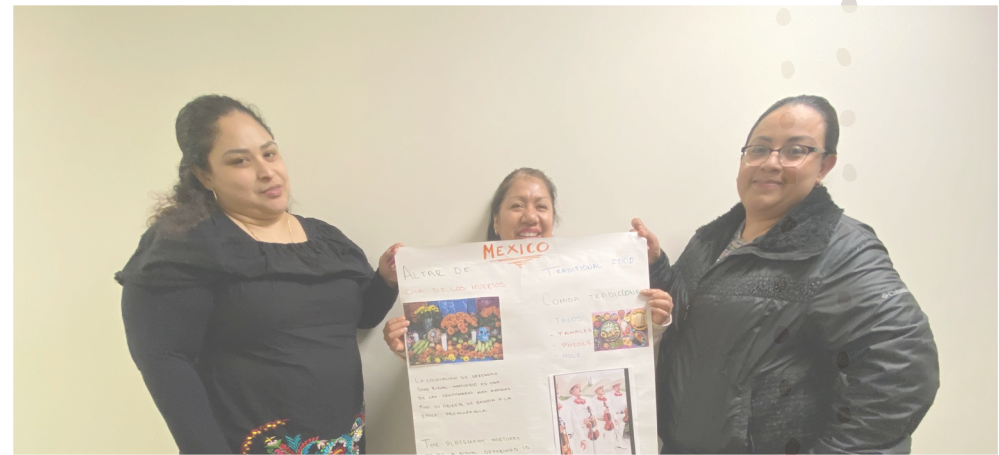

1. Donate item
2. Buy from our Amazon Wish List
3. Donate funds to give gift cards

Education

We provide access to education, bridging the gap for individuals and families to acquire the necessary knowledge to become active participants in their communities.

- We offer English as a Second Language classes at our offices, and we provide informative sessions to teach families how to buy a house, how to start a business, etc.

Events

We support and create events open and free to all, to come together as a community to learn, celebrate and understand each other's diversity.

- Our **Inclusive Circle** offers monthly meetings where children and teens with special needs participate in art and music.
- Our **Latino Circle** offers a Children's Day event, Day of the Dead Celebration and a Winter Event for seniors.
- This year, our **Muslin Circle** offered an event to celebrate the end of Ramadan.
- Cultural workshops are held throughout the year.
