

Empowering Veterans into Employment

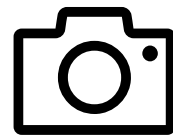

A collaborative program between **Everyone for Veterans** and **The Beyond Project**
2021 Recipients of BECU's People Helping People Awards

The collaboration of our organizations brings together professionals that will empower the lives of combat veterans and their families. Our goal through this program is that veterans will be given more access to hygiene care services and career support to improve their quality of life.

Dental Assistance

Local dentists volunteer their time and services to provide dental care. Limited to one application per person.

Photography Services

Professional photographers volunteer their time and services to provide professional headshots.

Salon Services

Professional hairstylists and barbers volunteer their skills and services.

Resume Assistance

Community members volunteer their time and services to provide resume building assistance.

Job Application Support

Volunteers provide online job application support and navigation services on sites such as LinkedIn.

Eligibility requirements: Deployed to combat or imminent danger areas. Have significant financial hardship. Limited or no dental insurance.

Apply today at: www.everyoneforveterans.org
